VERNER INVESTMENT PROGRAM (VIP) 2016-2017

VIP is the official fundraiser for the Verner Elementary PTA. **VIP** donations make it possible for our PTA to focus on helping Verner students reach their full potential. Instead of raising money through wrapping paper sales, magazine sales, and peddling cookie dough door to door, we simply ask each family to invest \$150 per child to the Verner PTA. This money is used to provide essential services and materials that enhance the education of our students. The State of Alabama and the Board of Education no longer provide funds for these items. Verner continues to provide a first class education because of support from parents like you!

Remember, without your donation our children will *NOT* have:

- New Library Books
- Computer Teacher
- Classroom Computers & Technology
- Art and Music Support
- Teacher Appreciation & Support
- Playground Maintenance
- School Nurse Supplies
- Spring Fling
- Accelerated Reader (A/R) Program & Reading Awards
- Teacher Copier

...and much, much more!

We deeply appreciate your dedication to your child and their school. Thank you for joining the Verner PTA and your support of **VIP**!
